

Community Housing
Charity Gala

Thursday October 7th 2021 // Limestone Hall, at the Historic Courthouse

6:00 in the evening, to benefit

The Community Housing Charity Gala was created to support not-for-profit organizations working in central Kentucky who exist to support those suffering from housing insecurity, as well as educate those who can help end the affordable housing crisis in this area. Join us for the first annual gala at Limestone Hall, inside the historic courthouse, to celebrate the work they've done thus far – and help us contribute to their continued efforts in providing central Kentucky residents education, housing options and support. **The 2021 recipients of the event proceeds are Lexington Habitat for Humanity, REACH, and the Realtor-Community Housing Foundation.**
